

Timestamp	How easy was it to navigate through the CrossWin? How intuitive was the user interface of the CrossWin? How often were you able to perform tasks well?						Did you encounter any issues or confusion while usg? Were you able to access all features of the CrossWin? Did the Crosswin/owe app provide sufficient controls?						Were there any issues with virtual keyboard overlay? Did you encounter any barriers while using the Cross Win Overall, how would you rate the accessibility of the app?					
8/3/2024	4	2	1	No, everything was clear and worked well	1	No, I could access all features without any issues	Yes, the contrast was excellent and easy to read	1	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	2					
8/3/2024	1	2	2	No, everything was clear and worked well	2	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	3						
8/3/2024	2	2	2	Yes, but only minor issues	2	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/3/2024	1	3	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	No, I could access all features without any issues	Neutral / I did not notice any issues	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/3/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was generally good but could be i	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/3/2024	2	2	2	Yes, but only minor issues	2	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Neutral / I did not notice any issues	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	3						
8/3/2024	1	1	2	No, everything was clear and worked well	1	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/3/2024	1	2	2	No, everything was clear and worked well	1	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	No, I did not encounter any barriers	2						
8/3/2024	1	2	2	Yes, but only minor issues	2	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	No, I did not encounter any barriers	1						
8/3/2024	2	2	2	Not sure / I didn't use all the features	2	No, everything was clear and worked well	2	Not sure / I didn't use all the features	Yes, the contrast was generally good but could be i	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	3						
8/3/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/3/2024	2	2	2	Yes, but only minor issues	2	No, everything was clear and worked well	2	Yes, but I experienced minor issues accessing som	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	2						
8/3/2024	2	2	2	Yes, but only minor issues	2	No, everything was clear and worked well	2	Yes, but I experienced minor issues accessing som	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	2						
8/3/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was generally good but could be i	No, the virtual keyboard did not overlap any content	No, I did not encounter any barriers	1						
8/3/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Neutral / I did not notice any issues	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	2						
8/4/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	No, I did not encounter any barriers	1						
8/4/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	2						
8/4/2024	1	2	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/5/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was generally good but could be i	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	2						
8/5/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	No, I did not encounter any barriers	1						
8/6/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Neutral / I did not notice any issues	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/6/2024	1	2	1	No, everything was clear and worked well	1	No, everything was clear and worked well	2	Yes, I could access all features without any issues	Yes, the contrast was excellent and easy to read	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1						
8/6/2024	1	1	1	No, everything was clear and worked well	1	No, everything was clear and worked well	1	Yes, I could access all features without any issues	Neutral / I did not notice any issues	No, the virtual keyboard did not overlap any content	Not applicable / I do not have a disability or impair	1
